Curfew Law For Cities To Be Drawn

A curfew ordinance, especially adapted to the need of cities in San Mateo County, will be drawn up in the near future as a result of a meeting held this week in South San Francisco, Paul McCarthy, Redwood City city attorney, said today. The ordinance, when completed, will be submitted to city councils for their approval or rejection.

This week's meeting, held for the purpose of achieving uniformity in curfew laws, was attended by chiefs of police, council members and city attorneys of San Mateo County cities, Sgt. S. E. Douglas, representing the police department, and McCarthy were Redwood City delegates.

McCarthy said there was a unanimous feeling among those present that city ordinances should be less drastic than the one adopted by the county, because evening recreational facilities were easier to control.

McCarthy said members felt the main purpose of a curfew ordinance would be to prevent loitering on corners and in cafes.

"Children would not be able to use a cafe as a social headquarters by buying a soft drink for a nickel and hanging around for an hour," he said.

John C. Coleberd, city attorney for South San Francisco, appointed five police chiefs as a special committee to work with him and McCarthy in drawing up a suitable ordinance.

Committee members are P. F. Burke, San Mateo police chief, Louis Belloni, South San Francisco police chief, John J. Harper, Burlingame poice chief, Fred Johnson, Belmont police chief, and William L. Maher, San Bruno police chief, and the two city attorneys.

It was expected that the committee would meet within the week McCarthy said. He thought the ordinance would be ready for submission to the Redwood City city council at their next meeting.

SEQUOIAN: Hero's Death

Lt. Carroll T. (Duke) Harris Jr., 20, of Atherton, who Tuesday was reported killed in action in the European theater of war on June 13, graduated from Sequoia High School with the class of 1940. The Tribune carried a story Friday, before news of his death was received by his parents, Lt. Col. and Mrs. Carroll T. Harris, 40 Isabella Ave., Atherton, telling of his hectic experience in a recent battle with 30 Messerschmitt 109s.

It was while serving as copilot to the flight commander of an American bomber that he went through the Messerschmitt fight, from which he emerged unscathed although two engines of the plane were knocked out, the right wheel flattened, the oxygen system wrecked and the lubribating system set afire. Both he and his copilot lost consciousness but landed safely after a 3000-foot fall.

Lieutenant Harris attended College of the Pacific for two years following his graduation from Sequoia. He joined the air corps as a cadet in April, 1942, and was graduated as a pilot Jan. 4. He was the only child of Colonel and Mrs. Harris.

His father is a member of the general staff corps of the army stationed in San Francisco. During the last war Colonel Harris served overseas with the engineers for two years.

R.C. Office To Aid WMC

A branch of the San Mateo office, United States Employment Service, was opened at the yesterday and will operate every morning, Monday through Saturday hereafter, Earl Lawton, manager of the San Mateo office, said today.

Mrs. Florence Cooper of East Palo Alto will be in charge of the branch, Lawton said. She will conduct functions of the U.S.E.S. with the exception of unemployment compensation duties. Office hours will be from 8:15 to 11:30 a.m. in the basement of the courthouse.

Primary purpose of the new office here is to serve essential war industries in the Redwood City area, including food processing firms.

One of the main functions will be to administer the stabilization plan of the War Manpower Commission in this area through granting clearances to workers and helping to route them to local job openings. Mrs. Cooper will assist workers in securing social security numbers and perform any other duties ordinarily conducted by the service.

Voluntary job stabilization over a seven-county critical labor shortage area in San Francisco Bay Region was replaced Wednesday by mandatory controls, ordered by the WMC, an Associated Press dispatch reveals.

Opening of the Redwood City U.S.E.S. office becomes doubly important in view of that fact, it was pointed out.

Area WMC director James P. Blaisdell ruled that no employe in an essential industry can receive a manpower commission clearance from any source to go to a non-essential industry. He must be re-employed in another essential industry.

The regulation is mandatory in the counties of San Francisco, Alameda, Contra Costa, San Mateo, Marin, Napa and Solano.

Blaisdell said the only possible exceptions would be presently unemployed persons seeking work in non-essential industries.

One of the first duties of the new Redwood City employment service, Lawton said, will be to assist Sequoia High School graduates and students in securing vacation or permanent work.

Lawton said the new Redwood City branch had been authorized by George W. Davis, area supervisor for the U.S.E.S. with offices in San Francisco.

Lawton pointed out that emphasis will be placed on recruiting workers for industry since few workers had difficulty in securing jobs under present conditions.

Opening of a branch of the U.S.E.S. in Redwood City is the climax to an intensive campaign conducted by the chamber of commerce, war plant officials and other Redwood City officials during the past several months.

Telephone number of the new branch will be RC 399.

AMBULANCES: War Council Seeks Emergency Vehicles

If you own a station wagon or a panel truck that could be converted into an ambulance in an emergency, will you help Redwood City's War Council save $25 of taxpayers' money?

That is the question asked today by Al W. Russell, county building inspector who is chairman of first aid and ambulance service for the war council.

It all comes about this way: The council needs to have available the names of some more owners of vehicles that could be called upon in event of an enemy attack to transport wounded persons to hospitals. It seemed a simple matter to secure the names of all station wagon owners in this vicinity through a service that makes such lists available. But—such a list would cost about $25.

Wishing to stretch civilian defense dollars as far as possible, the war council instead asked Russell to try to get enough vehicles lined up without having to obtain a list of owners who could be contacted individually to see if they'd be willing to let their automobiles be used—if and when needed.

So Russell is appealing for such names. He asks that anyone who owns such a vehicle either contact him at the courthouse (R.C. 2180) or the war council office in the city hall (R.C. 824).

Russell pointed out that the vehicles would not be called out for incident drills or even during blackouts; they would only be used in case of actual emergency need. At that time, they would report to designated casualty stations. Gasoline would be provided to compensate for fuel used, so that owners would not have to be short-rationed. Full details of the limited amount of use of the trucks or station wagons needed may be obtained from Russell or the war council office.

New Ice Follies In San Francisco

New and delightful, a completely different edition of the Ice Follies is being presented nightly by the Shipstads and Johnson at Winterland in San Francisco.

Ice Follies includes 28 separate acts, 11 of which are elaborate production sequences. Special attention has been given in the current edition to bringing together separate elements and building them around a unified idea. The result is a streamlined, rapid-fire version of a musical revue on ice that would have warmed the heart of Flo Ziegfeld.

Larger in scope than any event in either the show or the sports world, Ice Follies brings here a cast of 120 skaters, a 45 per cent increase in personnel over last year when the company included 85 blade artists.

Not only is the blade troupe larger, but the Shipstad brothers and Johnson have added a number of new artists to the roster of stars to be seen here. New in the feminine contingent are Norah McCarthy, Canadian and North American women's senior champion, recently turned professional to join the Ice Follies, and pert, blonde Betty Atkinson, a finished acrobatic skater who was recruited from the ranks of Broadway musical comedy.

Still captivating the rink fans are Shipstad and Johnson, Frick and Frack, Bess Ehrhardt, Heinie Brock, Ruby and Bobby Maxson, Roy Shipstad, Colson and Claudet—all in new routines, and in all 30 top-flight stars.

Blackout Generally Effective

BURLINGAME — How effective the Sunday morning blackout was in San Mateo County as a whole was a matter of conflicting reports today, as some sections reported smooth operations and others declared that the alarm had disclosed signs of weakness.

In the Three-Cities, the yellow alert was sounded at 12:52 a.m. followed by the blue alert at 1:07 a.m. The red, or blackout alarm, was sounded at 1:11 a.m. The all-clear was sounded at 1:50 a.m.

When the sirens sounded early Sunday, many Peninsulans were sleeping peacefully, others were on the highway on their way home, and still others were still on Saturday outings. Everywhere in the county, however, wardens were reported prompt in their response to the alarm.

Published reports declaring that "confusion was rampant," attributed to Theodore Lilienthal, executive director of the San Mateo County Defense Council, were qualified today by Lilienthal to apply to purely local areas, and not the county at large.

In and around the Three-Cities, he said, it was reported to him by E. W. Briedenbach, county air raid warden director, that a number of sectors were without adequate warden protection, and that some people were observed driving their cars with full headlights on. Several lighted cars were not stopped, he said, and a number of wardens, apparently not knowing what blackout lights on cars were for, stopped official cars that were supposed to travel.

Mrs. Willa C. Carmack Wins Divorce Decree

Superior Court Judge A. R. Cotton has granted Mrs. Willa C. Carmack an interlocutory decree of divorce from Robert M. Carmack, San Carlos real estate dealer and contractor.

Mrs. Carmack was given custody of their two children, John, 16, and Sarah, 15. A property settlement made June 5 was

Fire Department Answers 6 Calls

Redwood City Fire Dept. responded to three calls Tuesday atfernoon, Fire Chief Mark E. Ryan said today. At 4:12 p.m. two trucks were called out to extinguish a small grass fire in a field at Madison and Maple St. A fire in an attic was reported by Mrs. Z. T. Thorning, 614 Hopkins, at 4:49. Two alarms were turned in. At the same time firemen also responded to a grass fire alarm at Whipple and Grand.

Chief Ryan said none of the fires caused any damage.

Wednesday at 10:11 firemen responded to a grass fire at Bayshore and Brewster, and at 10:13 to a small grass fire at 149 Elwood. Chief Ryan reported no damage. A third alarm turned in about 11:10 proved to be false.

Kairouan, in Tunisia, is the measurement in sea depth, is six feet.

FIRES: Two Calls Answered

The San Mateo County Fire Department responded to two grass fires over the week end. About two acres of grass were burned Saturday morning at the Beresford Country Club. Responding to the call at 11:15 a.m., the county sent one truck and four men. Two pieces of equipment from the San Mateo Fire Department had the fire fairly well under control when the county apparatus arrived and it was extinguished in 50 minutes.

An acre of grass was burned Sunday afternoon in the Emerald Lake district between Oak Knolls Dr. and Hillcrest Ave. The department received the call at 12:10 p.m. and dispatched two trucks and seven men. Wind made the fire difficult to get under control but it was put out in 34 minutes.

Two small grass fires were quickly extinguished in San Carlos Sunday afternoon, one in a vacant lot at 1500 San Carlos Ave. and one at Devonshire Blvd. and San Carlos Ave. The San Carlos Fire Department responded to the two calls at 2:30 and at 3:20 yesterday afternoon.

CD MEETING MONDAY

A public meeting of the Redwood City War Council will be held at 7:30 Monday, June 28, in the council chambers of the city hall, Mrs. Florence Donnelly, chief clerk of the Civilian Defense Council, said today.

HOUSING: County Center Receives 655 Applications

During the past month the San Mateo County War Housing Center received 655 applications for accommodations, a ew high record, Louis Lengfeld, manager, said today The center was able to place 122 of the applicants, but only through inducing many applicants for family units to take rooms.

Lengfeld said that as a result the supply of rooms is nearly exhausted and the center badly needs new listings, particularly those near transportation.

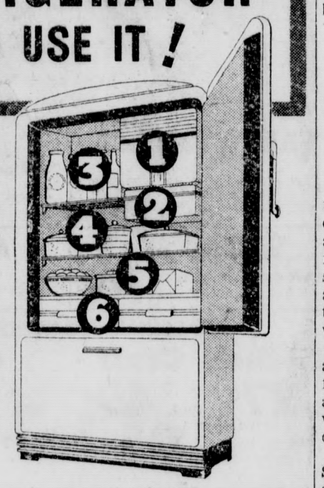
Prospects for increased facilities improved somewhat with four leases definitely closed to change vacant buildings into apartments for war workers, Lengfeld said. All four are in the northern part of the county. Forty other buildings have passed the first inspection, however, and plans are being drawn or leases negotiated in cities from Redwood City to Daly City.

1000 Attend Belmont Horseshow

BELMONT—Nearly 1000 persons attended the two-day horse show given at the Green Briar Saddle Club by the San Mateo County Horsemen's Assn. Saturday and Sunday. Entries came from Salinas to San Francisco and from across the bay.

The committee was to meet tonight to figure net profits which will be turned over to the Belmont Hospitality House, Mrs. Laura Roeder, hospitality house chairman, said this morning.

YOUR REFRIGERATOR AND HOW TO USE IT!



1 0 to 15 Degrees.
FROZEN DESSERTS AND FOODS
Frozen vegetables, fish and desserts should be placed inside the freezer compartment.

2 34 to 37 Degrees.
MEAT STORAGE
Fresh meat, fish, cold meats and left-over cooked meats should be placed directly below the freezer unit in a tray or in waxed paper.

3 38 to 40 Degrees.
MILK JUICES AND BEVERAGES
Fresh milk should be placed in the refrigerator as soon as possible. This prevents bacteria growth and vitamin losses. Keep tall bottles and fruit juices here, too.

4 40 to 43 Degrees.
VEGETABLE LEFT-OVERS, TOMATOES
In this zone of moderate humidity keep your left-over canned vegetables (with juice and covered) and your ripe tomatoes.

5 40 to 43 Degrees.
BUTTER AND DAIRY PRODUCTS
This entire shelf will carry your bulk foods to see you through the week. Put here eggs, butter, margarine, cream cheese, puddings and your prepared salads for chilling.

6 40 to 45 Degrees.
GARDEN FRESH PRODUCE
Trim and wash your Victory Garden produce and keep it under adequate refrigeration to save vitamins and flavor.

SAVE FOOD • SAVE MONEY
SAVE VITAMINS

A place for everything and everything in its proper place is a good rule to observe with food storage in your refrigerator. Follow the same orderly arrangement you see in the big refrigerators in modern markets and food stores. ☆☆ Today when you are buying a week's supply of food at a time, you must make every bit of space count in your refrigerator. Keep your refrigerator cleaned and oiled and in good repair. It is too valuable to abuse or neglect.

REDWOOD CITY Phone RC 1300

Committee Proposes Solution to Redwood City Traffic Snarl

A proposed solution to the traffic snarl around the Southern Pacific station during peak hours of commuter traffic was presented to the Redwood City City Council this week by John B. Nordstrand, chairman of the citizen's traffic study committee.

In general, the recommendations suggested that traffic on California St., Winklebleck St., James Ave. and the driveway," parallel to the railroad tracks, be rerouted during peak hours, and two-way traffic eliminated.

Traffic moving toward the Southern Pacific station would move down James Ave. or the "driveway;" traffic moving away from the station would travel up Winklebleck St. to El Camino Real, or turn right or left at California St. to enter Broadway or the highway.

The committee recommended that automobiles leaving commuter parking lots enter the stream of traffic at designated exits, and that cars in the lot beside the Standard Service Station at Broadway and the "driveway" enter Winklebleck St. only.

Other points which dovetail into the general plan include all day parking on Winklebleck St., with cars at both curbs facing west, and all day parking on James Ave. with cars at both curbs facing east. "Live" parking only would be permitted along the "driveway," except for taxis and busses.

To facilitate movement away from the station, no parking would be permitted on California St. during the peak hours—5:30 to 6:30 p.m. The committee recommended that signs be placed at the Broadway and James Ave. entrances of California St. at these hours to prevent autos from turning in.

Nordstrand, describing the traffic problem around the station, said the present situation was "chaotic" especially during the winter months.

Council members asked for time to study the plan. They will report on it at the next meeting.

City Atty. Paul A. McCarthy said the Southern Pacific Co. was willing to lease the streets adjacent to the station for $1 a year. According to McCarthy the city must lease the streets before it can legally control the traffic on them, as they are part of the Southern Pacific right of way.

The council moved that city officials make the lease.

The Southern Pacific Co., McCarthy said, had asked to reserve the right to grant taxicab stands if the lease was made.

CITY COUNCIL: Members Adopt Salary Ordinance

A salary ordinance adding $15 to $25 per month to the pay envelope of city employes in war bonuses was passed this week at a meeting of the Redwood City City Council. The ordinance carries out the recommendation of Robert W. Mead, city manager. Increases will amount to approximately $7500.

Also passed was the regular salary ordinance which includes pay raises to the amount of $3000.

Councilman Carl Britschgi moved that condemnation proceedings be started on the Weiner Bldg., at Arguello and D Streets, because Weiner had not fulfilled his terms of the agreement with the city to destroy or remove the building.

The report on negotiations for a parking lot near the Greyhound bus station was put on the agenda for the next meeting.

A recommendation by the State Highway Commission for parallel parking on El Camino Real between Brewster and Broadway was approved.

Mayor Floyd Granger's communication from the citizen's traffic study committee requesting the streamlining of the committee was adopted.

Paul A. McCarthy, city attorney, reported that the port commission has an option on two lots at the Redwood City Port and requested the council to adopt a resolution accepting the deed of sale. Cost of the lots was $8100.

H. M. Carscallen, president of Red Feathers Products, located on Bayshore Hwy., asked that his property, which borders the Redwood City limits, be admitted to the city. The city attorney was asked to make a report on the procedure for annexation and the planning committee was asked to work out future policies for such annexations.

John A. Layng, on the recommendation of City Manager Mead, was reappointed chairman of the planning commission.

The ordinance requesting changes of names of certain streets was passed.

A request of the senior air raid warden at Emerald Lake to use Easter Bowl as an evacuation center was granted.

Granted also was the application of George L. Solari for a dance permit for Saturday, June 26, and Saturday, July 3. The dance to be held by Court Madrone No. 158, Foresters of America.

An invitation from Maj. Gen. John B. Wogan was extended to city officials to attend an armored review and christen a mobile unit in Marysville July 4. Mayor Floyd Granger will attend the review.

Mayor Floyd Granger reappointed William J. McKeegan and Mrs. Z. T. Thorning as library trustees. City Manager Mead's recommendation that Elmer S. Hurrell be reappointed port commissioner was approved.

Officials Probe Blackout Attack

Dep. Dist. Atty. O. M. Van Duyn today was investigating a blackout case in which Vernon Scath, 14-year-old Sequoia High School student, son of Mr. and Mrs. Victor L. Schath, 1105 Madison Ave., Redwood City, claimed to have been attacked by a man at his home early Sunday morning.

Mrs. Schath reported today her son screamed when he saw the man in the backyard where Vernon had his bed underneath a canvas roof, and that when he screamed the man jumped on him. Vernon received scratches, Mrs. Schath told Van Duyn.

Redwood City police today said they had the name and address of the man alleged to have made the attack, but that no arrest had been made because no complaint had been filed.

A knife believed to have belonged to the alleged attacker was found on the Schath property later in the day Sunday.

58 Register In Summer Classes

Fifty-eight students registered for the summer session at Sequoia High School Monday. Their instructors are giving the various courses.

Carl S. Underwood, head of the commercial department, is principal of the summer school and will teach bookkeeping and typing.

Miss Louise Watkins, journalism teacher, has the summer English class, and Hugo Rustad heads the mathematics class.

The summer session, first to be given at the high school, will extend through eight weeks.

Many retailers believe that price control, requiring better business management, will induce elimination of wasteful methods of distribution, according to the Department of Commerce.

What You Buy With WAR BONDS

Pig Boat.

At sea in a submarine isn't exactly the "life of Riley." In the Battle of the Atlantic, or on the great stretches of the Pacific these sailors know the hazards of their work.

One of the spots aboard these "Pig Boats" that all crew members enjoy is the galley, or kitchen. Space limitations prevent an elaborate set up, but cooks aboard these vessels are justly proud of the meals they prepare for their crews. Your increased purchase of War Bonds helps make submarine life as pleasant as possible.

SAFEWAY Homemakers' Guide

Let peanut butter be the home front standby

It's time we realized the importance of peanut butter as a nutritious food, and not as a delicious snack food. Its flavor is only one of the things in favor of peanut butter. It is a protein food and that means that it can take the place of meat on the menu. It is a food high in energy value, the kind of food that gives that power needed for heavy work. As for minerals and vitamins, peanut butter scores high. It is particularly high in some of those all-important B vitamins. Let it be your standby food when the menu needs building up in flavor and heartiness. Here are just a few of the many ways you can put peanut butter to work in a nutritional way.

PEANUT BUTTER CUTLETS Combine 1 cup hot medium thick white sauce and ½ cup peanut butter. Add 1 well-beaten egg and mix well. Add 2 cups soft bread crumbs and seasonings and mix well. Form into cutlets or patties, dip in beaten egg, then cracker crumbs and fry until well browned. Serve with cheese sauce.

PEANUT BUTTER PUDDING — Mix ¼ cup of cornstarch with a dash of salt and 1 tbsp. sugar, and ½ cup cold water. Combine 3 tbsps. honey or corn syrup with 4 tbsps. peanut butter. Mix with cornstarch mixture, and cook in double boiler for 10 minutes, stirring constantly. Then cover and cook 15 minutes longer, stirring occasionally. Cool, pour into sherbet dishes and chill.

PEANUT BUTTER AS A SPREAD — Serve peanut butter on the table instead of butter. The family will like the change.

When making sandwiches, spread the bread with peanut butter-salad dressing combination. It supplies added food value, and is good around lunchtime.

To make butter go farther, cream it, add an equal portion of peanut butter, and blend well. mold and chill. Grand for toast, hot biscuits, waffles, muffins, and as a between meal snack.

Go picnicking with Julia Lee Wright. You'll find many useful ideas for pick-up picnics in her article featured in this week's FAMILY CIRCLE MAGAZINE. There's a copy for you at your Safeway Store.

BOYS: Many Make Plans For Army, Navy Service

In the survey recently made for the Tribune concerning school, job and service plans of Sequoia High School graduates, the following boys said they plan soon to enlist in the navy:

John Cleese, John Del Secco, Bob Evans who said he expected to enlist as an apprentice seaman; David C. Hauck who wants submarine duty, Ralph Triano, Robert Vignau, Robert Wakefield, Lewis Estabrook and Thomas Wesley Stewart Jr.

Signed up to go to Stanford University this Fall were Jack Lawrence Henry, Howard E. Williams, William Langston who has already entered the University; Winston Eshleman, also already enrolled, and Donald Cerqui who expects to go next January.

James Avrams said he expected to go to the University of California the first of next year and Herbert G. Hotchner will enter the college of mechanical engineering at the university July 1.

George Small intends to go to San Mateo Junior College in September and to work as a machinist this Summer. Fred Nicolai will go to San Jose State College in September and Glenn A. Stewart said he planned to go to San Jose but also to enlist for the army specialist program. Robert R. Streeter plans to attend Texas A. & M. College next Fall.

Several other boys indicated they plan to join different branches of the service. Eno Barbitta and Don Koblick plan to enlist in the Marines; Bud Biegel and Ben N. Esposito plan to join the Merchant Marine and Alan Schroeder and Don Thompson plan to enlist in the Coast Guard.

These boys signed the survey as waiting for the draft: Bob Johnson, Robert MacGregor, Jim Malcolm, Theodore Henry Meetz, Joe Oeschger, Edward Robert Peregrina, Richard Piombo, Oscar Ewing Price Jr., George E. Schiel, Hiram Slocum, Vincent Steck, Donald I. Vaughn Jr., Bernard Walker, Milton A. Webber, John Ferguson, Frank Bettencourt, Robert Charles Bohnet, Gene M. Cahill, Charles Russell Dahlgren, George Dallara, Harry Farwell, John Ferguson, David Grant Foulk, Davis S. Galleher, Bill Gillespie, Bill Gingher and Dale Jensen.

AWARDS: Four Win Scholarships

Graduation exercises were held for 43 students from the eighth grade at Mt. Carmel School Sunday afternoon in Mt. Carmel Church. Four scholarships were awarded students for high school work at Bellarmine High School in San Jose and the College of Notre Dame in Belmont.

Frances Courtney, Dolores Del Tredici and Angela Hill were awarded four-year scholarships to Notre Dame and James Fraser received a one-year scholarship to Bellarmine.

Religion prizes donated by the Catholic Daughters of America were given Sam Winklebleck, Edward McTaggart, Joseph Britschgi and Patricia Ryan.

Other awards were presented students Friday morning at an assembly to which parents and friends were invited.

The American Legion award was presented by Dr. A. E. O'Neill to Marte Formico, Sam Winklebleck, Patricia O'Farrell and Marie Louise Braga.

Winners of the American Legion Auxiliary essay contest were presented awards by Mrs. A. S. Hayes. They included Joseph Hill from the fifth grade; Joseph Rolfes, sixth grade; Rena Wytmans, seventh grade, and Angela Hill of the graduating class.

Altar boy awards were presented by Rev. Patrick Thompson to Edward McTaggart, Sam Winklebleck, James Hanners, Kevin Sullivan, Jerry Britschgi, Billy Jordan, Gilbert Pacini, James Fraser and Mart Formico.

Traffic duty awards were given Billy Roehr, John Graham, Marte Formico, Bob Britschgi and Edward Ellison.

The following students received diplomas at yesterday's graduation exercises:

Henry Thierry, Joseph Britschgi, William Jordan, William Roehr, Kevin Sullivan, Kenneth Roche, Donald Ferrando, Sam Winklebleck, George Mohun, Marte Formico, Gilbert Pacini, John Peterson, Bernardo Pinotti, Roland Thompson, Lawrence Daley, James Hanners, Ted Nestor, Edward McTaggart, James Fraser, Lawrence McCall, John Graham.

Jacqueline Schock, Margaret Watts, Marie Campagna, Ann Madden, Hope Cahill, Dolores Del Tredici, Patricia O'Farrell, Marion Dalton, Marie Louise Braga, Barbara Lawless, Aurelia Solari, Angela Hill, Virginia O'Connor, Alice Peiffer, Patricia Ryan, Angela Brockamp, Sue Gillespie, Grace Brown, Marilyn Morgan, Carol Dubert, Gloria Stahl, Frances Courtney.

State To Adopt Army Division

SAN CARLOS — Mayor A. H. Sagehorn has been invited to participate in a review of the 13th Armored Division and christening of combat vehicles on July 4 at Camp Beale. The division is to be sponsored by the state as declared in a proclamation by Gov. Earl Warren June 14, and in the holiday ceremony combat equipment will be named for California communities. Sagehorn has been asked to take part in the christening of an armored vehicle to be named San Carlos.

The city officials who have been asked to take part also were invited to spend the night of July 3 in the army barracks of the camp to get a first-hand view of army life.

Sagehorn's invitation came from Maj. Gen. John B. Wogan, commanding officer at Camp Beale.

The mayor said today that he would try to attend.

Sagehorn Wins Association Office

San Mateo County Treasurer A. H. Sagehorn will be vice president of the County Treasurers Assn. of California during the coming year, it was revealed today. He was elected during an association convention in Sacramento Saturday.

Russell W. Giles of Monterey County was elected president.

Before adjourning the convention adopted a resolution opposing the return of Japanese to the Pacific Coast area.

If You Operate Under a Fictitious Firm Name . . .

The requirements of Section 2466 of the Civil Code says:

"Every person and every partnership transacting business . . . under a fictitious firm name . . . not showing the full names of the person interested, or partners in such business . . . **must file** a certificate stating the name in full and the place of residence of such person or the members of such partnership . . . Such certificate **must be published once a week for four successive weeks.**"

If you have neglected this procedure, the name of your firm is not protected and you are not entitled "to . . . maintain any action upon or on account of any contract or contracts made, or transactions had . . . in any court of this state **until the certificate has been filed and the publication has been made as herein required.**"

"**On every change** in the members of a partnership transacting business in this state under a fictitious name, or a designation which does not show the names of the persons interested as partner in it business, **a new certificate must be filed with the county clerk, and a new publication made** as required by this article on the formation of such partnerships."

Take care of this important matter now by having the Redwood City Tribune publish your certificate. **Consult any local attorney.** The cost is small, and the filing and publication is something which should not be overlooked.

Otto Kanitz Hurt in Aleutians Action

SERVICE: Army Bulletin

Pvt. Otto Kanitz, brother of Arno Kanitz, 2939 Crocker Ave., was wounded in action in the Aleutians, a War Department bulletin received here today said. Private Kanitz joined the service in July, 1941. Previously he had been a railroad clerk. He was born in Valdez, Alaska, and before his entrance into the service had lived in San Jose.

Arno Kanitz also is in the service and at the present time is stationed at Ft. Mason. He is a private first class.

★ ★ ★

FLOYD NEFF AT SALT LAKE CITY

SAN CARLOS — Mrs. Harry Muhrlin of Greenwood Dr. has heard from her son, Floyd Neff, that he is stationed at Salt Lake City. He is with the signal corps of the U. S. Army Air Corps. Private Neff came here from Sacramento at Easter time to be with his family just previous to entering the service.

★ ★ ★

DONALD WILLIAMS WINS PROMOTION

Donald L. Williams, son of Mrs. Thomas L. Williams of Upland Rd., Emerald Lake, has successfully completed the flexible aerial gunnery course at army air forces school, Laredo, Texas, and has been promoted to sergeant, according to word received here today from the camp.

He is now eligible to take his position as a member of an army air force combat crew.

The Williams family is well represented in the service. One brother, Thomas L. Williams Jr. has been in the army more than two years. Richard, 17, another brother, is in the marine corps. All three brothers attended Sequoia High School.

Thomas Williams Sr., father of the boys, is also in the service, holding a petty officer's rating with the navy Seabees. He is stationed at present in Virginia. Fifth member of the Williams family serving the colors is Harmon, a brother of the senior Williams, a carpenter's mate, second class, stationed on duty in the South Pacific.

Flak in the Algerian Sky

Algiers' defense against axis air raiders was this concentration of anti-aircraft fire, making a vivid pattern of flak in the night sky. Several of the attacking bombers were brought down.

3 R.C. Lions Attend Confab

Three representatives of the Redwood City Lions Club left last night to attend the California and Nevada convention of Lions Clubs in Hollywood for three days beginning today. They were Fred W. Walker, president-elect of the local club; Dr. Wesley Taylor, outgoing president, and Norman Menifee.

Ronald Anderson of the Sequoia High School faculty showed the moving picture, "Sequoia in Wartime," before the Lions Club at its regular weekly dinner meeting at Sodini's last night. The film, in technicolor, shows how the high school has adapted its curriculum and activities to wartime needs. As the picture was shown, Anderson told the story of the high school program.

Coming Events

THURSDAY

8:15 p.m.—Jewish services at Temple Beth Jacob, Creek Dr., Menlo Park.

About one-third of the world's production of commercial arsenic comes from the United States.

PAY-AS-YOU-GO: Treasury Answers New Tax Questions

Here are eight more questions and answers prepared by the Treasury Department to explain the new pay-as-you-go withholding tax plan which goes into effect July 1:

Q. Is the withholding tax an additional tax?

A. No. The withholding tax is merely an easier way of paying your regular income tax on a pre-payment pay as you go basis.

Q. Am a married man with one child and am now putting 10 per cent of my pay in war bonds and 5 per cent, after subtracting withholding exemption, for the victory tax. How can I pay the additional 20 per cent withholding tax on top of that 15 per cent and still have enough to live on?

A. In the first place your 20 per cent withholding tax includes your victory tax. If you are married and have one child, your exemptions will bring your tax down to approximately 8 per cent. For instance, if your salary or wage is $50 per week, your withholding tax will be approximately $4 per week, and instead of paying an annual income tax of approximately $212 in a lump sum, you are paying it at the rate of $4 weekly.

Q. Suppose when I make my return next March I find my employer has withheld more than enough money to cover my tax. Will the excess be refunded to me?

A. It will either be refunded to you or credited against other income taxes due from you.

Q. Suppose my employer withholds tax from my wages, but does not turn it over to the government. What protection have I?

A. The employer is liable for the payment of the tax and must furnish the employe with a written statement showing the amount of tax deducted. Penalties are imposed upon employers for failure to make and file returns or pay the tax within the time prescribed by law. The employe is amply protected.

Q. Do I have to wait until the end of January to know how much of wages my employer holds out?

A. Yes, for the official notice or receipt unless your services with your employer are terminated before the end of the calendar year.

Q. What happens if the receipt the employer gives me gets lost or destroyed?

A. You should make application to your employer for a copy of the receipt.

Q. Does it make any difference if I change jobs several times during the year?

A. No. Each employer is required to withhold the tax from wage payments made to you.

Q. What advantages are there to me in this withholding?

A. You will be paying on your income and victory tax as you receive your wages.

Hatch To Speak At CD Class

The last of a series of OCD basic training classes will be held at 7:45 tonight at McKinley school, Mrs. Florence Donnelly, chief clerk of the Redwood City Civilian Defense office, reported today.

The lecturer for the evening is Lawrence E. Hatch who will talk on Control Center Organization and Blockout Rules. Films will be shown.

The class is the last of a series of six which began May 14.

Mrs. Justice In Tennessee

WOODSIDE—Mrs. Hubert Justice left for the East a few days ago to spend some time with her husband, Sgt. Hubert Justice, U.S.A., who is stationed at Halls, Tenn. Mrs. Justice is the former Floy Durham, daughter of Mr. and Mrs. O. M. Durham of Woodside Rd., with whom she makes her home during her husband's absence.

Councilmen Differ On Curfew

Sharp differences of opinion on the necessity of a curfew law and the methods of enforcing it were expressed at a meeting of the Redwood City City Council this week.

Passage of a curfew ordinance was urged at the meeting of the city council June 7, by Andrew Spinas, superintendent of Redwood City Elementary Schools, as a means of coping with juvenile delinquency problems.

Councilman Carl Britschgi, said he believed the delinquency problem in Redwood City had not been proven serious enough to warrant the passage of the ordinance. Chief of Police C. L. (Mickey) Collins, replying, said that a curfew would be a means of curbing the development of gangs, which have been a serious problem in other cities. He said police would not enforce the law to the letter but would use it with discretion.

Mayor Floyd Granger bridled at this. "What is the use of a law," he said, "if it isn't enforced to the letter?"

"Is any criminal ordinance carried out to the letter?" Collins asked.

"That's not the fault of the laws—that's the fault of the law enforcement officers," said Granger.

Letters requesting passage of the ordinance were received from the Business and Professional Women's Club of Redwood City, Exchange Club, A. C. Argo, superintendent of Sequoia High School; Donald I. Bogie, dean of boys at Sequoia, and Doris Dean, dean of girls at Sequoia.

H. C. Seipel, peninsula district manager of Fox West Coast Theaters, asked that care be taken in the wording of any proposed ordinance so that minors coming home from a "first" show would not be violating the ordinance. Seipel felt that a curfew during the week might be all right but thought special provisions should be made for week ends and vacation periods. He considered the county ordinance, which goes into effect July 1, "drastic."

Several members of the council felt the ordinance would not affect children going to or coming "straight home" from legitimate entertainment, and that the intention of the law is to prohibit loitering on street corners.

Further discussion of the ordinance was postponed until the next meeting as a result of a letter received from South San Francisco officials who requested a delegate from Redwood City to meet with councilmen of other cities in an effort to co-ordinate curfew laws in all communities. The meeting will be held in South San Francisco tonight and several Redwood City city officials expect to attend.

(Other council news will be found on Page 4).

Swimming Signup Held This Week

Registration for swimming classes at Flood Park are being taken all this week during "National Swim for Health Week," Mrs. Florence Donnelly, civilian defense personnel director, reminded this morning.

The Redwood City civilian defense council urges that young men, women and children avail themselves of the facilities at the Flood Park pool where Miss Rosa Boxham of the county recreation commission will give free instruction.

In a communication received today by Mayor Floyd Granger from Norman Davis, chairman of the American Red Cross, emphasis was laid on the importance of swimming in modern warfare.

"Experience in the present war has revealed that only 10 per cent of the men entering the armed forces are skilled swimmers," Davis said. "The remaining 90 per cent cannot swim at all or mere novices. It is hoped that every community will co-operate in this effort of the Red Cross to develop swimmers among our pre-induction age young people, and that every swimming pool and bathing beach in the country will be used to some extent for this purpose."

Classes for children will be held at Flood Park between 11 a.m. and 1 p.m. daily and adult classes will be taught in the afternoons.

The highest point in the Western Hemisphere is at Mount Aconcagua in Argentina, 22,834 feet above sea level.

More than 800,000 workers in the war-converted automobile industry are producing one-sixth of the total value of war goods.

Many Sequoia Girl Graduates To Attend College This Fall

Many different schools and a variety of jobs are calling the girls just graduated from Sequoia High School. From a survey made for the Tribune, here are some of the fields the young graduates will enter.

Girls who plan to attend the University of California are Jeanne Waters, Helen Shepherd, Patsy Merrill, Mimi Lebo and Valarie Belsamo.

Attending Stanford will be Persis Tangemann, Louise Phillips, Roberta Rowe, Lorraine Reiser, June Felsch, Mary Cuff and Florence Bagley.

San Jose State College students will be Barbara Peterson, Betty Jean Kinney, Patricia Kernan, Cherie Keller, Louena Falk, Dorothy Holmquist, Pat Dolan, Meredith Bryan and Stella Barreto.

Planning to attend San Mateo Junior College are Cecelia Sanders, Betsy Rafferty, Mae Lum, Lois Burton, Lois Bourquin, Jacqueline Boucher, Marie Bissell and Kathryn Bell.

OTHER SCHOOLS

Girls planning to go to other schools are Elsie Tenzer, business college; Joan Smith, Sacramento Junior College; Antoinette Sylvestrini, Dominican College; Jeanette Shepard and Elna Mansfield, Palo Alto Business College; Mary Romano, Sequoia night school course; Janet Padley, Mills College; Beverlee Osterloh, University of Utah; Mary O'Donnell, Phyllis Noerager and Yvonne Mitchinson, St. Joseph's Hospital of Nursing; Donna Neil, nurses' school; Nilmah Magill, Oregon State; Gerda Hundevadt, nurses' training at Samuel Merritt School; Madelyn Holt, nurses' training at St. Lukes'; Iris Hanners, Lessman's Business School; Jane Gordon, Barbara Avenell, Norma Peterson and Dolly Paladini, University of Oregon; Ella Eppes, Alabama Polytechnic Institute; Dorothy Dimmen, Don Lux School of Cosmetics; Doris Blomquist, Pasadena College; Margeritte Bergmann, San Francisco State.

Girls who plan to work are Frances Wombacher, Mary Alice Julien, and Jeanne Hafford, telephone company; Elaine Peterson, Jean Arnold, salesgirls; Elaine Perkins, Katharine Martinez, Dolores Gudelj and Marie Mangini, typing; Anne Martin, bookkeeping; Lenore Pauling, Shirley Hawthorne and Josephine Bertolucci, clerical work; Bernice Marcopulos, Alice Gull and Aileen Brackeen, stenographing; Dorothy Knitter and Darlene Kissinger, secretarial work; Freeda Hargrove, Barrett & Hilp; Marjorie Goodmar, Margaret Gates, Bette Clark and Rose Dresti, office work; Rose Aliaga, Dorothy Baldwin and Aurora Fortes, bank work, and Helen Barca, stenciling.

DEFENSE WORKERS

Many girls are going into defense work. Among them are Violet Staples, Jean Thompson, Lila Richards, Laura Richards, Ann McFaul, Joyce MacKensie, Barbara Amendt, Gloria Howland and Helen Geske.

Among those working for the Southern Pacific Co. are Lois Bourquin, Frances Shoote, Pat Owens and Margaret Burke.

Others plan to enter various services as soon as they are old enough. Alyce Pueschel, Jeanette Demma and Gloria Barreto plan to go into the Waves and Elsie Bosch means to go into the Ferry Command.

Richard Gatchel Wins Boys State Post

Richard (Dick) Gatchel, son of Mr. and Mrs. D. F. Gatchel, 176 Duane Street, was appointed director of the code commission in the Boys State, American Legion sponsored governmental training organization of California high school boys at Sacramento.

Gatchel is one of four Redwood City boys who represented Sequoia High School in the Boys State which ended its seventh annual assemblage Wednesday. He was sponsored by local American Legion Post 105, Wison (Bill) Crosby was sponsored by the Redwood City Exchange Club, Paul Lawrence by the Eagles Lodge, and David Frederickson by the Belle Haven American Legion Post.

Crosby was selected as a county supervisor for "Sierra County" to serve during the coming year. He also was made a city correspondent for "Boys' Stater," official publication of the 1943 California Boys' State.

Newly elected Boys' State governor, Albert Rubey, made today's appointments of executive officers which put Gatchel in charge of the code commission.

Bob Kane of San Mateo was named to head the agriculture pro-rate commission.

One of the resolutions adopted in today's final session, according to Assicated Press, urged that school authorities and the military services co-operate to the end thta high school students be allowed to win their diplomas despite any call of the armed forces. It recommended that seniors either be given their diplomas early or permitted to complete the school year and that juniors who are drafted be given credit toward graduation for training received in military service.

A miners' strike in the Tyrol was settled 450 years ago by the agreed execution of 10 union leaders and three company officials.

It is 81 miles from Bolzano, Italy, at the southern end of the Brenner Pass, to Innsburck, the German terminus.

CAMPERSHIPS: Drive Ends With $250.70 Contributed

The Tribune-Lions Club campership drive ended Saturday with total contributions of $250.70.

Izette Matteson sent a check for $10 and just as the office closed for the week end, an anonymous donation of $7.50 was received.

Because of the many generous contributions, at least a dozen girls and boys will be sent to summer camp for two-week vacations and possibly twice that number as the youngsters will be given an opportunity to earn half their expenses by helping around camp.

The orphan, whose story was told in the Tribune last week, already has been signed up for camp. "The boy was so happy about it," the camp director said, "that he had tears in his eyes—he will be a good camper—there's no doubt about it."

In some instances campership were given for specified camps, but most of the $250 raised in the campaign will be divided equally for girls and boys to attend Girl Scout, Boy Scout and YMCA camps.

Jones Gulch Camp near La-Honda, operated by the YMCA, opened today. Boy Scouts will go to camp at Pescadero next Sunday and Girl Scouts will go to Camp Chaparral July 10.

Minnesota Club To Conduct Picnic

The Minnesota Club will hold a picnic Sunday, June 27, from 2 to 5 in the afternoon in the city park adjoining the veterans' building at Warren and Standish streets.

Anyone from Minnesota is cordially invited whether or not he is listed as a member of the Bay Area club which boasts 150 members from San Mateo County, the president, Mrs. Alice Bertilson, said today. Picnickers will bring their lunches and coffee will be served all comers.

Delaware is known as the Diamond State.

PUBLIC NOTICE

Crist & Beene, Attys.
NOTICE OF SALE OF REAL PROPERTY
No. 10609—Dept. No. 1

Simpson Estate Goes to Widow

William A. Simpson, wealthy shipping executive who died June 4 at his home in Burlingame, left his entire estate to his widow, Mrs. Mary M. Simpson, according to a will filed for probate in superior court at Redwood City today. The will was dated Sept. 30, 1942.

Included in his estate were one-half interest in the family home, $10,000; cash in various banks, $30,000, and an interest in Western Ship Service Co., approximately $52,000. Annual income from investments, the petition shows, amounts to $50,000.

The petition for probate was filed by Mrs. Simpson.

Weeks Purchase Hillsborough Home

A residence at 510 Hayne Rd., Hillsborough, was sold by Mr. and Mrs. W. K. Holmes Jr. to Mr. and Mrs. E. F. Weeks Jr. for $23,500, stamps on a deed on record with County Recorder T. Clark Rice today indicated. The deed was recorded at request of California Pacific Title and Trust Co.

Two S. F. Persons Hurt in Accident

Two persons incurred minor injuries at 10 p.m. Sunday when the automobile in which they were riding went out of control and overturned on Skyline Blvd., one half mile south of the Half Moon Bay Rd. intersection.

Injured were Clyde Rohrer, 50, and Hattie Rohrer, 49, of San Francisco. J. Alfred Henry, 36, of Modesto, driver of the car, was uninjured, the California Highway Patrol, which investigated, reported today.

PUBLIC NOTICE

E. H. Cherry, Atty.

Dated: June 23, 1943.

CLARA E. MYERS,
Guardian of the person and estate of said incompetent person.

E. H. CHERRY,
Attorney for Guardian,
1212 Broadway,
Oakland, California.

June 25; July 2, 9, 1943

BLAZE: Houses Threatened

Nearly 100 baby chicks and eight setting hens were burned to death Tuesday in a fire which destroyed one chicken house, gutted another, burned two acres of pasture land and threatened three residences near Palomar Park.

Mrs. J. H. Reichmuth discovered the fire on the roof of the chicken house in the rear of the Reichmuth residence on Clifford Ave. and turned in the alarm to the Redwood City Fire Department which transferred the call to the county department at 1 p.m. The county had equipment on the scene within five minutes after receiving the call but wind had swept the flames up into a live oak tree above the chicken house from which sparks spread the fire into nearby yards.

The Reichmuth chicken house was completely destroyed along with from 80 to 100 small chicks, eight setting hens, a duck, seven sacks of chicken feed and several rabbit hutches which had been empty. It failed to harm a planing mill of the J. A. Reichmuth Woodworking Co. just 40 feet away from the hen house but in the opposite direction from the prevailing wind.

The fire spread to the chicken house of H. Oddleman adjoining the Reichmuth residence—gutted it and killed one chicken. Flames raced through the garden of K. L. Davey on Francis Ln. out into a field where they destroyed two acres of pasture land used by Davey for pasturing goats.

The Davey residence, where no one was at home, was threatened for awhile, fire department officials said today, and the fire spread through three back yards of homes on Francis Ln. but was put out before damaging the houses.

Three county trucks and one from the San Carlos Fire Department were sent to the scene and 3950 gallons of water were pumped into the blaze before it was extinguished.

Eleven men from the county department and three from San Carlos, assisted by numerous volunteers, worked for two hours and 42 minutes before putting out the fire, cause of which was a mystery to all concerned today.

Mrs. Reichmuth, who first noticed the blaze on the roof of her chicken house, said she had no theory as to how it might have started. No one was working in the woodworking shop and as far as she knew there was nothing on the roof which might conceivably have caught fire. The roof was made of roofing paper. After telephoning the alarm, Mrs. Reichmuth tried to put out the fire with a garden hose but the flames spread rapidly in the wind.

Fifteen calls were received at the county office reporting the fire after the city fire department had sent in the first alarm.

Menlo Park Flier Killed in Action

T. (Duke) Harris Jr., Menlo Park, member of a bomber crew which fought off 30 Messerschmidts and flew home from a raid over Germany with two engines knocked out, was killed in action June 13, the War Department notified his father, Lt. Col. Harrold C. Harris today.

San Bruno Merchant's Estate Exceeds $10,000

Estate of Joshua D. Maule Sr., San Bruno merchant who died May 11, is valued in excess of $10,000, according to a petition for probate filed in superior court in Redwood City today. The petition was filed by Joshua D. Maule Jr. of San Bruno.

The hevea rubber tree is the source of 97 per cent of the rubber used in the world.

Sweat-rooms similar to the modern Turkish bath were used by North American Indians.
